

# COMPLIANCE SHOULDN'T BE HARD

Most NDIS providers are still managing compliance across Word documents, Excel registers, email threads and scattered folders.

- Fragmented
- Time-consuming
- Hard to track
- Easy to miss

**ONDIS  
BRINGS**

**CLARITY  
CONTROL  
CONFIDENCE**

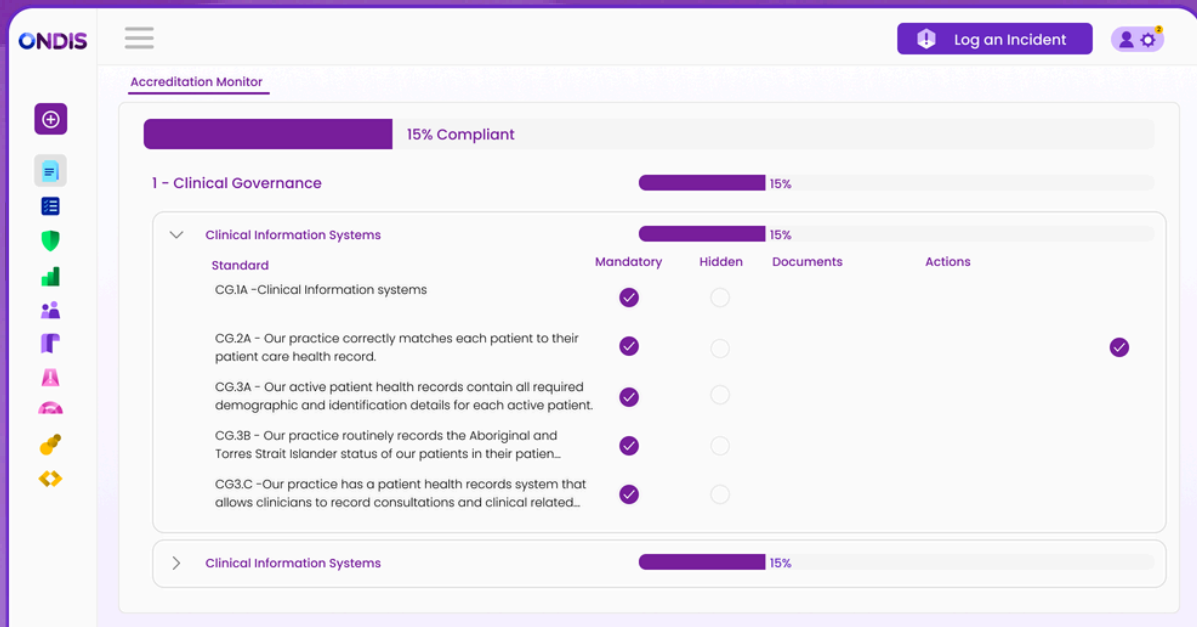

**TO YOUR NDIS COMPLIANCE  
JOURNEY.**

# SEE YOUR COMPLIANCE AT A GLANCE

Real-time compliance percentage tracking – always know where you stand.

Clear task list with due actions – know exactly what to do next.

✓ Centralised updates and reminders – nothing falls through the cracks.

## KNOW WHERE YOU STAND. KNOW WHAT TO DO NEXT.

# A SIMPLER WAY TO STAY COMPLIANT

Everything you need to meet NDIS compliance requirements in one structured system.

Aligned to the NDIS Practice Standards.

370+ compliant - ready to use policies, tools and registers.

Integrated incident and feedback tool.

Built to reduce administrative burden.

Designed to keep you audit ready all year round.

- Policies

**CLEAR.  
UNDER CONTROL.  
ON TRACK.**

# BUILT FOR **NDIS PROVIDERS**

## **Sole Providers**

Stay organised, feel confident. Keep compliance simple.

## **Small Providers**

Bring structure to daily operations.  
Assign and track required actions.  
Maintain clarity across your team.

## **Growing Providers**

Scale compliance with confidence.  
Oversee accountability across your organisation.  
Maintain visibility as you expand.

**Whether you're starting out or scaling up, ONDIS grows with you.**
